

Errata for the Granny Stitch Sampler Blanket – 2023

Dear maker,

We pride ourselves in providing you with the very best patterns in order for your crocheting experience to be as stress-free and enjoyable as possible.

While we as designers have our patterns thoroughly checked before hitting “Publish”, we’re only human. Sometimes, mistakes make it through regardless of all the checks and balances. We hope you’ll grant us some grace!

The following list contains corrections to errors that were found after the 1st version of the full pattern was published.

In the list below, the corrected portion is written in red.
